COMPANY OVERVIEW

Amerifen Solutions LLC dba Amerifen Medical Supply is a veteran-led, SBA-certified SDVOSB providing Class I medical devices, mobility products, patient-care supplies, and healthcare logistics support. Amerifen has performed directly for the Department of Veterans Affairs since 2016, including continuous VA wheelchair transportation since 2020.

This experience gives our team practical knowledge of federal procurement, documentation, compliance, service coordination, and dependable contract execution. Active SAM registration, Texas device distributor licensing, and GPC/purchase-order acceptance make Amerifen a responsive, accountable partner for VA and federal buyers.
